

# BARDWASH

## PROPERTIES

**BARDWASH** is a concentrated liquid product specially aimed at **cleaning and maintaining** all types of **splintings**.

**BARDWASH** emulsifies all **greases, sludges, muds and other dirt**s on all metal surfaces.

Using **BARDWASH** **saves considerable time** during low or high-pressure cleaning. A **single application** guarantees a perfect result.

**BARDWASH** is **highly cost-effective** thanks to its high concentration and is **harmless** for the user.

## INSTRUCTIONS FOR USE

**BARDWASH** can be applied manually with a **spraying machine** or in a hot water machine.

### As a rule:

Dilute 1L of **BARDWASH** into 4 L of water.

Adjust the concentration according to the level of soiling.

Spray **BARDWASH** **from bottom to top**, wait a few minutes, then pressure rinse.

**PRECAUTION** : Avoid high concentration on old or delicate paints. Test concentration beforehand for sensitive surfaces ( aluminium, galvanized surfaces, etc...)

## SAFETY PRECAUTIONS

**BARDWASH** contains sodium hydroxide.

S1/2 : Keep away from children.

R36/38 : Irritant for eyes and skin.

S26 : In case of contact with skin, see a doctor.

Keep away from freezing.
